

WHITE WOMAN DE-SERTS INFANT CHILD

PLACES SAME IN AN OLD HOUSE AT LOTTIEVILLE.

Child Rescued and Being Cared for by O. G. Barker of the Above Place.

From Saturday's Daily Sun.

A strange white woman who was supposed to be from Tampa, with two young children, was among the passengers on Conductor Ray's train to Wilcox station on Thursday night, and when the train arrived at Lottieville station she slipped off and placed one of the children, the infant, in an old vacant house.

The woman again boarded the train and got off at Wilcox, and nothing further was thought of the occurrence until Friday morning when the train reached Lottieville and Mr. Barker began to inquire of Conductor Ray about the child and told how he had found it, when it instantly came to his mind about the woman leaving the train and boarding it again without the baby.

He described the woman as being young and fairly good looking, and as she seemed in a good mood he never once suspected that she had

done such an act as to desert the infant.

Mr. Barker, who is a merchant at the place, was attracted by the cries of the child and at once investigated, when he found the infant hidden in a box in an old shed near his store about 11 o'clock p. m.

He stated to the reporter over the long distance phone that he knew the woman, who was from Tampa, but would give nothing further in reference to the matter until the woman was placed under arrest, which would be done some time during the day, as he had located her and a deputy would be sent for her.

The infant is a little girl and appears to be about five weeks old, so he stated.

Miss Jolly Expresses Gratitude.

To My Friends in the Piano Contest: I take this method of expressing to you my deep appreciations and gratitude for the interest you have manifested in my behalf in the piano contest which has just closed, and I only regret the circumstances which preclude you from sharing in the pleasure which would have attended my victory.

Assuring you that the recollections of your efforts in my behalf will always remain with me a pleasant memory, I am, Yours very gratefully,

ELLA JOLLY.

Orange Heights, Fla., Aug. 19.

Take Notice.

All persons are recommended to take Foley's Kidney Remedy for backache, rheumatism, and kidney and bladder trouble. It will quickly correct urinary irregularities, which, if neglected, may develop into a serious illness. It will restore health and strength. Do not neglect signs of kidney or bladder trouble and risk Bright's disease or diabetes. J. W. McCollum & Co.

Card of Thanks.

Editor Sun: I desire to take this method of publicly thanking the many kind and loyal friends who were so faithful to me in the recent contest and assure them that their efforts in my behalf will ever be kindly remembered by me. Owing to unfortunate circumstances I was deprived of working as much as I would have liked, but feel that the race put up by my supporters was a most loyal one.

Very respectfully,
(MISS) ESTELLE BEAL.

A Weakling

Is the only way to describe the poor child that is afflicted with worms. No matter how much or how often it eats, the worms get all the nourishment from the food—the child gets practically none. White's Cream Vermifuge gets rid of the worms quickly, easily and with no bad after effects. Price 25 cents a bottle. Sold by W. M. Johnson.

Gainesville Aerie Honored.

At the meeting of the Eagles held at Ocala for the purpose of organizing a State Aerie, Gainesville was honored by the selection of one of its members, Jas. I. Blake, to be Inner Guard. The meeting was a grand success, all local aeries having representatives on the scene for the purpose of organizing the State Aerie.

Disagreeable at Home.

Lots of men and women who are agreeable with others, get "cranky" at home. It's not disposition—it's the liver. If you find in yourself that you feel cross around the house, little things worry you, just buy a bottle of Ballard's Herbine and put your liver in shape. You and everybody around you will feel better for it. Price 50 cents per bottle. Sold by W. M. Johnson.

Improvements in Track.

From Friday's Daily Sun. The Atlantic Coast Line have a large force of men engaged on their road bed between here and Worthington Springs and are improving their road bed, preparatory to the heavy travel expected the coming fall. The entire work gang is now located at Haynesworth.

If you are all run down Foley's Kidney Remedy will help you. It strengthens the kidneys so they will eliminate the impurities from the blood that depress the nerves, and cause exhaustion, backache, rheumatism, and urinary irregularities, which sap the vitality. Do not delay. Take Foley's Kidney Remedy at once. J. W. McCollum & Co.

S.S.S. THE CURE FOR SCROFULA

The usual symptoms of Scrofula are enlarged glands of the neck, sores and ulcers on the body, skin affections, catarrhal troubles, weak eyes, and general poor health. The inherited poison, transmitted through the blood, pollutes and weakens this fluid, and in place of its nutritive qualities fills the circulation with scrofulous matter, which saps the vitality of the entire system. Thousands of children, born with a scrofulous taint, have spent their childhood in constant physical suffering, and grown to manhood or womanhood handicapped by ill health and stunted growth, and perhaps later some disease of the bones or joints developed. S. S. S., and perhaps later some disease of the bones or joints developed. It would have given in their early life, would have prevented this. It would have cleansed and purified the blood of the taint, nourished and strengthened their systems, and assisted each to grow into strong, healthful manhood or womanhood. S. S. S. is the very best remedy for Scrofula. It goes down to the bottom of the trouble, and cleanses the circulation of all scrofulous matter. It supplies the weak, diseased blood with strength and health-building qualities, and under the purifying effects of this great remedy all symptoms of Scrofula pass away. S. S. S. contains no minerals in any form, and is an absolutely safe treatment for children, even infants, or persons of any age. Literature about Scrofula and any medical advice free.

THE SWIFT SPECIFIC CO., ATLANTA, GA.

TUCKER GINNERY IS TO START UP MONDAY

GREAT AMOUNT OF COTTON ALREADY BEEN BROUGHT HERE.

Capacity of Plant Has Been Increased and Will Be Enabled to Handle Larger Amount.

From Saturday's Daily Sun:

The Tucker gin, located in the southwestern section of the city, will start operations on next Monday for the first time this season.

It was the intention of the firm to start the present week, but owing to the non arrival of some of the supplies they have been compelled to delay the opening for these few days, which will give them that much better start.

They now have in the neighborhood of twenty-five bales in the house, and are expecting several large shipments the first of the week from nearby places, which will give them a steady run of several days with the usual amount coming in regularly.

Owing to the rain picking has been retarded considerably in all sections, and the planters generally are hoping for fair weather.

The plant of Mrs. Tucker has been increased and she will be better enabled to handle the cotton business here this season than she was last year, owing to the fact that more gins have been added and an experienced and capable man engaged to look after the business.

The gins will employ a good many common laborers, and this will help the local condition of trade to some extent. When they start on next Monday they hope to keep steadily at work until the holidays.

Cured Hay Fever and Summer Cold.

A. S. Nusbaum, Batesville, Indiana, writes: "Last year I suffered for three weeks with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever, and a doctor's prescription did not reach my case, and I took several medicines which seemed only to aggravate it. Fortunately I insisted upon having Foley's Honey and Tar. It quickly cured me. My wife has since used Foley's Honey and Tar with the same success." J. W. McCollum & Co.

Mr. Ellis at Home.

T. B. Ellis, Sr., has returned from Jacksonville, where he went for the purpose of having one of his eyes operated upon. While he is not permitted to have the eye subjected to the light, he feels thankful that it has proven a grand success so far, and believes that his sight has been restored in the effected eye. He will be compelled to make a few visits to Jacksonville to have special treatment, but the greater part of the work has been accomplished and he can spend most of the time here.

Be sure and take a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy with you when starting on your trip this summer. It cannot be obtained on board the trains or steamers. Changes of water and climate often cause sudden attacks of diarrhoea, and it is best to be prepared. Sold by all druggists.
